

## Genesis Christian School Meet and Greet

Genesis Christian School launched their first school term in August and hosted a Meet and Greet and ribbon cutting for the public on Saturday, Aug. 29. Located at the site of the old Berrien Elementary School on Ann Street in Nashville, the Christian school serves grades K-8 with a 15-student class maximum. An accredited institution where all teachers have degrees, Genesis Christian School offers all academic subjects, drama, speech, debate clubs, Bible and academic competitions, a sports program, computer lab, chess club, and field trips. "But primarily, this is a campus where Biblical and educational standards are uncompromised," said Dr. Debra Tann, owner and founder. Pictured with Dr. Tann are staff and community members, along with Chamber of Commerce Director Crissy Staley and Nashville Mayor Travis Harper.
